## MARILYN KING

Featured in the new book, Enlightened Power - How Women are Transforming the Practice of Leadership, Marilyn King's influence reaches beyond sports into areas of business, leadership development and exceptional human performance. Marilyn was already a two-time Olympian when a devastating automobile accident left her unable to train physically for her third Olympic team. Using only mental training she placed second in the demanding 5-event pentathlon at the 1980 Olympic Trials.

Since then, Ms. King has become one of America's leading authorities on exceptional human performance. With over twenty-five years of extensive research into the secrets of extraordinary accomplishment in sports, business, and education, she delivers powerful, proven, and practical tools that help her audiences release the 'Olympian' within themselves. Her common sense approach, unique insights, and inspiring presence deliver lasting results (and standing ovations) wherever she speaks.
